Independent recognition

Publications - Daniel Hickman and Dennis Batur, "Voting on the remuneration report resolution"
Corporate Law Bulletin

- Acting for **QMS Media Limited** on acquisitions related to its initial public offering and listing on the ASX, including co-ordinating a multi-firm international due diligence team, preparing a report on multiple acquisitions across different Australian states and overseas jurisdictions and drafting, and co-ordinating simultaneous completion under, the relevant acquisition agreements.
- Advising **Crown Fibre Holdings Limited** on the roll out of the \$NZ1.5 billion Ultrafast Broadband Network in New Zealand, including drafting the shareholders' agreement, deed of undertaking and wholesale services agreement with local fibre companies responsible for the Network.
- Advising **Public Transport Victoria** on the retendering of the **Melbourne Metropolitan Bus Franchise**, which provides for the operation of approximately 30 per cent of Melbourne's public bus network, including co-ordinating a multi-practice team to prepare tender documents, the Franchise Agreement and other transaction documents.
- Advising the **Port of Melbourne Corporation** on the \$1.6 billion **Port Capacity Project** (terminal development and pre-delivery inspection services), including structuring the tendering process, drafting the tender documentation and assisting with the drafting of the underlying transaction documents.
- Assisting **AGL Energy Limited** with its fully documented bids for the retail businesses and gentrader contracts offered in the NSW electricity privatisation process. This included advice on due diligence, transaction documentation and coal supply and transport arrangements.
- Advising **Optus Networks Pty Ltd** on the renegotiation of, and settlement of disputes relating to, its Subcontract Agreement with a major subcontractor for the supply of telecommunications services in the Asia Pacific region to one of Optus' largest business customers.
